

## Fatemeh Jahanimoghadam

*(Last updated 8/12/2025 )*

***Date of Birth:*** Aug/18/1976

Associate Professor, Social Determinants on Oral Health Research Center, Kerman University of Medical Sciences, Kerman, Iran. Email: fatemehjahani4@gmail.com ORCID ID: <https://orcid.org/0000-0003-0990-5386>.

### ***Education***

2007: National Board of **Pediatric Dentistry (Third rank in the country)**

2004-2007: Shiraz University of Medical Sciences, (SUMS), Shiraz Dental School, **Resident of Pediatric Dentistry**

1995-2001: Kerman Dental School, Kerman, Iran, Doctor of Dental Surgery (**DDS degree**)

2007-2017: **Assistant Professor of Pediatric Dentistry**, Kerman Dental School

2015-2016: **Educational Medicine fellowship at Kerman University of Medical Sciences**

2017-now: **Associate Professor of Pediatric Dentistry**, Kerman Dental School

### **Professional Experiences**

- (2009-2011): **Deputy Director of the Pediatric Dentistry Department**, Kerman Dental School
- (2014-2016): **Deputy Director of the Pediatric Dentistry Department**, Kerman Dental School
- (2007-now): **Member of Oral & Dental Research Center**, Kerman University of Medical Sciences, Kerman, Iran
- (2007-2010): **Member of Infection Control Committee**, Kerman University of Medical Sciences, Kerman, Iran

- (2010-now): **Member of Social Determinants on Oral Health Research Center**, Kerman University of Medical Sciences, Kerman, Iran
- (2010-2012): **Member of Research Committee**, Kerman University of Sciences, Kerman, Iran
- (2007-now): **Consultant teacher**
- (2018-now): **Member of Research Committee**, Kerman University of Sciences, Kerman, Iran
- (2017-now): **Deputy Director of the Pediatric Dentistry Department**, Kerman Dental School
- (2019-now): **Member of Research Committee**, Kerman University of Sciences, Kerman, Iran
- (2019-2022): **Director of postgraduate programs of the Pediatric Dentistry Department**, Kerman Dental School
- (2023-2025): **Vice Chancellor for Research, Dental school, Kerman University of Medical Sciences**, Kerman, Iran
- (2023-now): **National Registrar and Coordinator of Early Childhood Caries (ECC)**
- (2024-now): **Member of the Scientific-Professional Qualification Assessment Committee** for Faculty Members, Kerman University of Medical Sciences, Kerman, Iran

### ***Awards & Patents***

- 2017 **Distinguished Best Researcher of Social Determinants on Oral Health Research Center**, Kerman University of Medical Sciences, Kerman, Iran
- 2021 **Distinguished Best Researcher of Social Determinants on Oral Health Research Center**, Kerman University of Medical Sciences, Kerman, Iran
- 2022, **Certificate for Registration of Patent. International Ranking: A6\C 19/06; A6\K 8/24; A6\K 9/00**

## ***Books***

**Jahanimoghadam F.** Dental Anomalies.2018; LAP LAMBERT Academic Publishing,ISBN:978-613-3-99339-6

## ***Papers and Publications***

### **Published Papers in English**

## ***Submitted Papers***

1. Evaluating the General Dental Practitioner Knowledge Regarding Local Anesthetic Injections in Pediatric Patients: A Cross-Sectional Study
2. Transcutaneous Electrical Nerve Stimulation Therapy for the Management of Trigeminal Neuralgia Through Probiotics Benefits
3. Complementary and Alternative Medicine Utilization, Satisfaction and Self-Perceived Effectiveness among Iranian Dental Patients: A Cross-sectional Study

## ***Fields of Interest***

- Microbiology
- Preventive Dentistry
- Interceptive Orthodontic Procedures
- Cariology
- Nano materials

## ***Teaching Experiences***

I have taught the following subjects to undergraduate or postgraduate dental students at Kerman faculty of dentistry several times:

- Stainless Steel Crowns
- Space Management in Primary Dentition
- Pain Reaction Control: Sedation
- Pediatric Pulp Therapy
- Local Anesthesia and Oral Surgery in Children
- Fluorides
- Fissure sealants
- Dental Caries
- Nutritional Considerations for the Pediatric Dental Patient

## ***Reviewer for International Scientific Journals***

- Dental Traumatology
- International Journal of Pediatric Dentistry
- European Archives of Pediatric Dentistry
- Journal of Dentistry
- Scientific Reports
- BMC Oral Health
- Motriz. Revista de Educacao Fisica
- Brazilian Research in Pediatric Dentistry and Integrated Clinic
- Journal of Oral Health and Oral Epidemiology
- Journal of Strides in Development of Medical Education
- Journal of Kerman University of Medical Sciences
